## Our journey.

A path to inclusive and more equitable care.

**Set up Health Equity** Council

**Create** a shared vision

**Standardize** data collection

Create community leader boards

**Translate** all patient forms

**Establish** Office of Health **Equity** 

**Engage** leaders to get involved

**Develop** awareness campaign

**Develop** a workforce that reflects our communities

Create solutions for health equity

**Guided by our mission** and values, Presence Health is committed to addressing disparities and delivering high-value, quality care to all.

This roadmap includes key milestones for identifying disparities in our increasingly diverse communities, developing strategies to address the barriers to equality and creating solutions that will help us achieve health equity.

## Presence Health at-a-glance

19,000+ employees
