

I Feel Sick

I need to visit a medical clinic at _____
(where)

_____ because I feel sick.
(when)

_____ will be with me.
(who)

Waiting at the Medical Clinic

First, I have to wear a mask.

Then, I wait until a nurse calls my name.

What the Nurse Wears

The nurse wears a special mask, gown and gloves.

This is the nurse's uniform.

Going to the Test Room

First, I walk with the nurse to the test room.

Then the nurse checks:

1. My blood pressure

2. My temperature

3. My oxygen level and heart rate

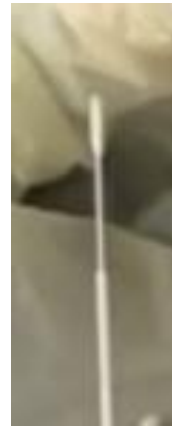

4. My breathing

Getting a Nose Test

First, the nurse shows me the things she will use for a nose test.

The things are a cotton swab and a tube.

Then, the nurse will do a nose test.

The nurse puts the swab in my nose.

Then, the nurse takes the swab out of my nose.

Then, the nurse puts the swab in the tube.

Then, I am finished.

Getting a Throat Test

The nurse might need to do a throat test.

First, I open my mouth wide and stick out my tongue.

Then, the nurse rubs the swab on my throat.

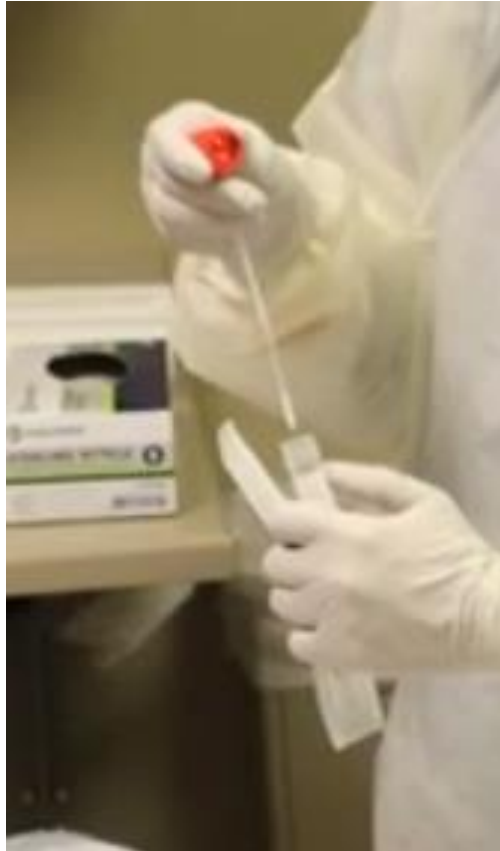

Then, the nurse takes the swab out of my throat.

Then, the nurse puts the swab in the tube.

Then, I am finished.

Learning the Test Results

After I leave the medical clinic, the nurse will send the tubes to a lab.

The lab will test the swab and my doctor will call _____
(who)
when it is ready.

I will learn the results _____.
(when)

I am finished.
