Where We Are Going

Trillium Health Resources is taking charge to bring Health Equity to our communities. This work, both the work we do on behalf of the populations we serve and the work we do internally, has been incorporated into our strategic plan and prioritized by leadership.

We are committed to becoming an anchor institution for Health Equity in our state.

Next Steps

1. Data Driven: Standardize, Dashboard, KPIs
2. Seek Understanding: Input, Known Leaders
3. Enhance Capacity: Partnership, Workforce

Our goal is to improve access to care and reduce disparities, continuously seeking understanding and partnerships, with commitment to addressing the root causes of health inequity.
